Request for Certificate of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322 or 1.323.

Respecting the alleged error on the title page item 56, per the examiner “the proposed change is to add documents from an IDS. However, the IDS was not considered by the examiner prior to issue. Hence, the proposed changes in the Certificate of Correction are not directed to correction of errors in the printing of the patent resulting from prosecution”.

In view of the foregoing your request in these matters is hereby **denied**.

Further correspondence concerning this matter should be filed and directed to Decisions & Certificated of Correction Branch.
